HEAD COACH AARON JOHNSTON

As he begins his third full season as head coach of the South Dakota State University women's basketball program, Aaron Johnston will again attempt to set new and higher standards.

During the 2001-02 season, Johnston led a Jackrabbit squad which included just two seniors and nine freshmen to SDSU's first-ever appearance in the NCAA Division II Elite Eight. The Jackrabbits compiled a 28-9 record, setting a school record for wins in a season. SDSU also tied for second place in the North Central Conference with a 12-6 record, reaching the championship game of the NCC Wells Fargo Finals, before claiming the North Central Regional title in Grand Junction, Colo.

Johnston spent the 1999-2000 season as assistant coach under Nancy Neiber and coached the Jackrabbits to a 4-2 record in the final six games of the season as interim head coach as SDSU finished the season with a 19-8 overall record, 11-7 in North Central Conference play. One of the Jackrabbits' victories was over second-ranked and eventual national runner-up North Dakota State.

When the interim label was removed from his title on June 30, 2000, Johnston became the seventh head coach in the modern era of South Dakota State University women's basketball, which began in 1967.

In the 2000-01 season, his first full season as Jackrabbit head coach, Johnston led SDSU to a 15-12 overall record. That mark included a North Central Conference record of 9-9, which earned the Jackrabbits a berth in the seven-team Wells Fargo Finals conference postseason tournament.

With a record of 47-23 (.671 winning percentage), Johnston already ranks fourth on the career victories list at SDSU.

A native of Pine Island, Minn., "A.J." earned a bachelor's degree in health and physical education from Gustavus Adolphus College in St. Peter, Minn. After serving one year as an assistant coach at North Dakota State College of Science in Wahpeton, he moved on to SDSU as a graduate assistant for the Jackrabbit men's basketball team for two seasons before becoming assistant women's coach. He also coached the SDSU golf teams for one year.

Melum, a Rapid City native, played four years at Augustana, earning all-North Central Conference and academic all-NCC honors as a senior in 1997. In NCC career statistics, Melum ranks fifth on the charts for three-pointers with 150, and eighth in both three-point attempts, 358, and three-point percentage, .419.

Hellickson was presented the North Central Conference Meritorious Service Award at the November 1990 meeting.

FROST ARENA — HOME OF THE JACKRABBITS

South Dakota State University plays its home games in Frost Arena, named after former Jackrabbit coach and athletic director R.B. "Jack" Frost.

Frost served as athletic director and professor and head of the physical education department from 1947 until 1960. He compiled an 86-79 mark in seven seasons as Jackrabbit men's basketball coach from 1948-54. Frost also was an international leader in recreation, health and physical education, serving in 1965 as the United States representative at the Fifth Session of the International Olympic Academy in Greece.

Frost Arena, which is part of the Stanley J. Marshall HPER Center, now seats 9,000 fans for basketball. The addition of chair-back courtside seating prior to the 1992-93 season eliminated about 500 seats from the original seating capacity.

The first game played at Frost Arena was on Feb. 2, 1973. In 1994, the one-millionth basketball fan passed through the Frost Arena turnstiles.

Widely regarded as the finest arena in the North Central Conference, Frost Arena has been the site for two women's basketball first-round NCAA Division II playoff games, six NCAA Division II North Central Regional men's basketball tournaments and four NCAA Division II Wrestling National Championships.

In addition, Frost Arena is the site of SDSU and Brookings High School graduation ceremonies, the annual Wacipi pow-wow, concerts and numerous other campus events.

Bids totaling \$3,374,115 were let for the facility following legislative approval of the project, with the bill signed by Gov.

Frank Farrar on Feb. 14, 1970. Ground was broken Sept. 22, 1970, with the cornerstone placed by Gov. Richard Kneip Oct. 2, 1971. Final cost of the building was \$3,685,000, with the difference made up by gifts and donated items.

Jackrabbit teams consistently play in front of large crowds at Frost Arena. The SDSU women's basketball program has ranked in the top five for Division II home attendance each of the last five years.

The Frost Arena attendance record was set on Feb. 11, 1989, when 9,456 fans attended the SDSU-Augustana men's basketball game.

Since the 1990-91 season, the Jackrabbit women have won 10 or more home games in nine of 12 seasons. SDSU's home-court record in that span is 127-37, a winning percentage of .774.

SDSU FINISHES SECOND IN 2001-02 ATTENDANCE

The success of the South Dakota State University women's basketball team during the 2001-02 season translated into success in other areas as a record number of fans checked through the turnstiles for Jackrabbit games.

Last season, SDSU finished second in home attendance in NCAA Division II, averaging 2,575 fans per game as a total of 38,626 people attended 15 Jackrabbit home games. The average attendance would have ranked 42nd in Division I.

The largest single-game crowd of the 2001-02 season was 6,553 for the Jan. 12 game versus Augustana.

SDSU was one of five North Central

Conference schools to rank among the top 10 as the NCC again led Division II conferences for attendance.

Following is a list of the top 10 average home attendance figures in NCAA Division II women's basketball during the 2001-02 season:

1. North Dakota	2,843
2. South Dakota State	2,575

8. Nebraska-Kearney	1,536

JACKRABBITS AIM FOR ANOTHER CHAMPIONSHIP RUN

A season ago, the South Dakota State University women's basketball team grew up in a hurry.

"Last year was a special season because we broke through some barriers," SDSU head coach Aaron Johnston said. Fielding a lineup which included nine freshmen, SDSU claimed its first North Central Regional title in school history and advanced to the semi-finals of the NCAA Division II Elite Eight, posting a school-record 28 wins against just nine losses.

The Jackrabbits set the tone for the season early by winning the Disney Division II Tip-Off Classic in Orlando, Fla., defeating two nationally ranked opponents. That momentum carried through to the North Central Conference season, where the Jackrabbits earned runner-up finishes in both the regular season race and the Wells Fargo Finals conference tournament.

This season, SDSU again hopes to get out of the blocks quickly. With a nucleus of 10 returning letterwinners, including four starters, SDSU is one of the early season favorites in both the North Central Conference and NCAA Division II. The Jackrabbits were picked by league coaches to finish second in the nine-team NCC race, while placing first in the Women's Basketball Coaches Association and second in the *Division II Bulletin* preseason polls.

SDSU figures to be prepared for the NCC race by playing a preseason schedule which includes exhibition games against Division I opponents Drake and Minnesota, as well as road contests at in-state rival Northern State and perennial regional contender Nebraska-Kearney.

"Going into this year we all feel that we have experience in our system," said Johnston, who has been a part of the Jackrabbit women's basketball program for four seasons — one as an assistant and now entering his third as head coach. "We're not teaching brand new concepts each and every year."

The Jackrabbits will be in search of their 17th consecutive winning season and will attempt to post back-to-back 20-win seasons for the first time since SDSU reached 20 wins in three consecutive seasons (1993-94, 1994-95 and 1995-96).

SDSU will rely on the leadership of seniors Melissa Pater, left, and Karly Hegge during the 2002-03 season.

Senior forward Melissa Pater returns for her third season in the Jackrabbit starting lineup after leading SDSU in scoring (15.3 points per game) and rebounding (8.7 rebounds per game) a season ago, while setting an SDSU single-season record with 322 rebounds. The Holland, Minn., native reached the 1,000-point plateau late last season and enters the season ranked 21st in career scoring with 1,066 points. An all-NCC performer a year ago, Pater has led SDSU in field goal percentage each of her first three seasons with the Jackrabbits.

Joining Pater in the starting frontcourt are Brenda Davis and Shannon Schlagel, both of whom earned North Central Conference honors during the 2001-02 season. Davis, a junior, earned all-NCC honors after averaging 14.3 points per game. Her 75 three-pointers were the second most in a single season in SDSU history.

Schlagel was named the NCC Freshman of the Year, marking the third straight year a Jackrabbit player has earned the honor. She also earned honorable mention all-NCC honors in a season in which she started all 37 games and contributed averages of 11.8 points and 8.1 rebounds per game.

Contributing off the bench at the post positions are senior Karly Hegge and sophomore Sarita DeBoer. Hegge averaged 2.9 points and 3.0 rebounds per game last season. DeBoer, who started four games, led

SDSU with 27 blocked shots to go along with averages of 10.2 points and 7.1 rebounds per game.

True freshman Christina Gilbert, from Stillwater, Minn., also will vie for playing time in the post.

In the backcourt, starting off-guard Stacie Cizek is back for her junior season. Cizek finished second on the team in assists during the 2001-02 season with 106 and averaged 8.4 points per game. She also sank 52 three-pointers as SDSU shattered its previous single-season record with 288.

Incoming freshman Heather Sieler is expected to fill out the starting guard tandem at the point for SDSU. Sieler brings tremendous athleticism to the point guard position after compiling impressive prep credentials at Huron High School, where she earned all-state honors in basketball, track and volleyball.

A pair of backup point guards return for their sophomore seasons. Megan Otte, who started four games and averaged 3.7 points and 1.6 assists per game, will be joined in the back line by Stephanie Bolden, who contributed an average of 2.0 points per game.

Brooke Dickmeyer gives the Jackrabbits another threat on the perimeter at the off-guard or small forward position. The Sioux Falls native made 26 three-pointers a year ago, averaging 3.3 points and 2.0 rebounds per contest during her freshman campaign.

Rounding out the Jackrabbit roster is forward Dianna Pavcek, who saw limited action during the 2001-02 season.

SDSU opens the regular season Nov. 22 by hosting the University of Sioux Falls.

NCAA DIVISION II ELITE EIGHT SEMIFINAL

March 21 at Rochester, Minn.

The championship run for the South Dakota State University women's basketball team came to an end with a 77-67 loss to Southeastern Oklahoma State in the semifinals of the NCAA Division II Elite Eight.

Southeastern Oklahoma built a 10-point lead midway through the first half behind the play of Brandi Robinson. Robinson, who scored a game-high 34 points, got 22 of those points in the first half. SDSU trimmed the lead to four at 30-26, but SOSU countered to go up 40-31 at the half.

JACKRABBITS REAP INDIVIDUAL HONORS

As the South Dakota State University women's basketball team reached new heights during the 2001-02 season, several Jackrabbit players earned individual honors for their hard work on the court and in the classroom.

Leading the Jackrabbit award winners were all-North Central Conference forwards Brenda Davis and Melissa Pater, and honorable mention selection Shannon Schlagel.

Davis ranked among the league leaders in scoring and three-point shooting, while Pater, who was the Most Valuable Player of the North Central Regional, ranked in the league's top 10 for scoring, rebounding and field goal percentage. Pater also was named to the NCC Wells Fargo Finals All-Tournament Team.

Schlagel, a Clark native, became the third Jackrabbit player in as many years to

earn NCC Freshman of the Year accolades. She also earned spots on the NCC Wells Fargo Finals and North Central Regional all-tournament teams, as well a place on the *Division II Bulletin* All-Freshman Team.

Academically, three Jackrabbit players — Karly Hegge and departing seniors Shari Johnson and Jamie Nelson — earned honorable mention academic all-NCC accolades.

ABOUT SOUTH DAKOTA STATE UNIVERSITY

With more than 9,500 students enrolled in the fall of 2002, South Dakota State University is the state's largest institution of higher education.

EARLY HISTORY

Located in Brookings, SDSU was authorized in 1881 by the Territorial Legislative Assembly and serves as the state's land-grant institution. Territorial council member John O'Brien Scobey, failing to obtain the penitentiary for Brookings, managed to secure Dakota Agricultural College for his city.

Although allocations fell short of the actual cost, the school was able to open in the fall of 1884 because the president, George Lilley, was willing to advance \$500 — one-third of his salary — to finish three rooms in the new Central Building. "Old Central" was soon joined by South (1885) and North (1887), forming the nucleus of campus for a decade and a half.

During the first year of operation, only preparatory classes were held. College classes started in 1885 with five teachers, 17 freshman and 61 preparatory students. Growth was slow and erratic for many years, but by the turn of the 20th century there were 242 students. By 1990 SDSU had an enrollment of more than 9,000 students.

Nearly 50,000 degrees have been granted since the college was chartered in 1881.

COLLEGES ESTABLISHED

The structure of the college became more complex as enrollments increased. The first nine chairs of instruction established in 1884 included agriculture, science, mathematics, English, modern languages, military tactics, veterinary science, practical business, political and domestic economy, and music.

By 1907, the year the name of the institution was changed to South Dakota State College of Agriculture and Mechanic Arts, there were 22 departments on campus. Reorganization into the five divisions which formed the basis for the designation of colleges was completed under President Charles W. Pugsley in 1923.

In 1964, when "State College" was renamed South Dakota State University, there were six colleges; today degrees are offered through these eight colleges:

- Agricultural and Biological Sciences

- Arts and Science
- Education and Counseling
- Engineering
- Family and Consumer Sciences
- General Registration
- Nursing
- Pharmacy
- Graduate School

SDSU also offers degree programs through the Sioux Falls Center for Public Higher Education. Evening, RDTN, Internet and off-campus courses are coordinated through the Office of Academic Affairs and Outreach.

SDSU BY THE NUMBERS

In its 121-year history, South Dakota State has grown from a campus of 80 acres in 1881 to a 271-acre campus with facilities worth more than \$220 million.

The Printing and Journalism Building — now named Anson and Ada May Yeager Hall — recently underwent a \$2.1 million expansion and renovation project.

Other campus construction projects in progress include a \$7 million expansion to Crothers Engineering Hall and the construction of a \$9 million performing arts center, which will open this fall.

The university owns or leases another

15,000 acres for research throughout the state.

More than 200 majors, minors and options are available with more than 2,500 different course offerings.

Master's degrees are offered in more than 30 areas and doctorates are available in eight fields.

SDSU is accredited by the North Central Association of Colleges and Secondary Schools and numerous departments on campus have earned accreditation from various agencies.

AGRICULTURAL RESEARCH

The university reaches all corners of the state through the Cooperative Extension Service and the Agricultural Experiment Station, offering service seeking to improve the quality of rural life. Also at SDSU are the Center for Innovation, Technology and Entrepreneurship; Engineering Experiment Station, Office of Remote Sensing; Water Resources Institute; Engineering and Environmental Research Center; Animal Disease Research and Diagnostic Laboratory; and Northern Grain Insect Research Laboratory.

ABOUT SOUTH DAKOTA STATE UNIVERSITY

These units help strengthen the university's growing commitment to research and support of state and local economic development efforts.

The Northern Great Plains Biostress Laboratory, which was dedicated in 1993, houses scientists who focus on research aimed at developing new technologies to protect crops and livestock.

Supplementing classroom instruction are the Harding Distinguished Lecture Series, the F.O. Butler Lectures, the Lusk Lecture and the Amdahl, Schultz-Werth and Griffiths endowments. Guest lecturers in the past couple years have included longtime White House correspondent Helen Thomas, noted historian and author David Halberstam, and former U.S. Senator Paul Simon (Ill.).

Students also have the opportunity to choose from more than 100 clubs and organizations active on campus.

MUSEUMS AND ATTRACTIONS

The educational opportunities don't end in the classroom or laboratory as South Dakota State University is home to several facilities, including museums and gardens, which highlight South Dakota history and heritage.

The South Dakota Art Museum, which recently completed an expansion, was first envisioned by the South Dakota Federation of Women's Clubs in 1949, and dedicated in 1970. The museum's collections include early Sioux Indian tribal art, the famed Harvey Dunn paintings of pioneer life and the exclusive Vera Way Marghab linens.

The State Agricultural Heritage Museum transformed the former Stock Judging Pavilion into a home for exhibits that record and preserve the agrarian heritage of South Dakota.

The 70-acre McCrory Gardens and South

Dakota Arboretum, located south and east of campus, provide a beautiful setting for area residents and tourists to enjoy a stroll through the radiant colors and fragrances of one of the top 10 small ornamental gardens in the nation. It is also recognized as an All-American Display Garden, one of only 13 in the nation.

In 1993 McCrory Gardens was designated an All-American Judging Garden to conduct research on annual flowers.

Since 1985, private contributions have made many new gardens possible including the Rose, Rock, Centennial Prairie, Iris, True Lily, Mum, Native Prairie Collection, Oak Tree Memorial Garden, All-Red Specialty Garden, Peony Garden, Shrub Rose Collection, and Children's Maze.

In August 1994, dedication ceremonies were held for the Mickelson Grove Memorial in honor of former governor and Brookings resident George Mickelson.

In 1982, the area north of the formal garden was dedicated to the planting and testing of ornamental trees and shrubs. The 45-acre site was designated the South Dakota State Arboretum in 1988.

The arboretum's purpose is to test woody plants needed to protect agricultural fields and livestock from the region's harsh environment, to provide hardy trees to shade our towns and cities, and to test ornamental shrubs for both durability and beauty.

The arboretum and gardens are managed by the SDSU Horticulture, Forestry, Landscape and Parks Department. More gardens and tree and shrub collections are being developed.

Perhaps South Dakota State's most recognizable landmark is the 165-foot Coughlin Campanile, the state's largest chimes tower. A climb of 179 steps leads to a panoramic view of the city.

The statuesque structure on the west end of campus was a \$65,000 gift from 1909 engineering graduate Charles Coughlin, who later went on to become head of the Briggs & Stratton Corporation.

Coughlin laid the campanile's cornerstone on June 10, 1929. Since then, its chimes have called students to classes with the famous Westminster peals.

An alumni-sponsored project to restore the campanile was completed in the

summer of 2001.

Adjacent to the campanile, Coolidge-Sylvan Theatre has provided a restful, green haven for students since its dedication by President Calvin Coolidge in September 1927.

Over the years the outdoor amphitheater has been the site of concerts, graduations and inaugurations for university presidents.

Woodbine Cottage, the home of the university president, is a charming example of Queen Anne architecture. Built in 1887 by South Dakota Agricultural College's second president, Dr. Lewis McLouth, the home is crowned by multiple roof lines.

The house also has served as a women's dormitory, music hall and infirmary.

STATE'S LARGEST LIBRARY

The Hilton M. Briggs Library, the state's largest, was opened in 1977 and joined South Dakota's statewide automated library network in 1988. Through the library users have access to holdings from all 10 of the state's libraries, including official documents and more than 1 million other holdings at Briggs.

THE BROOKINGS COMMUNITY

Today, Brookings is a growing community of about 16,000 people. Located 20 miles west of the Minnesota border and 50 miles north of Sioux Falls in east-central South Dakota, Brookings is situated at the intersection of U.S. Highway 14 and Interstate 29.

The community also is home to several recognizable companies including Rainbow Play Systems, Minnesota Mining and Manufacturing (3M), Larson Manufacturing, and Daktronics, a leading manufacturer of scoreboards and display systems.
